Tuition 2016-2017

Toddler, Preschool, and Kindergarten (5 Year Old) Classes

A non-refundable enrollment installment is required for all children at the time of enrollment for the 2016-2017 school year. Payment is required to secure the child's place in the program and will be credited to the child's 2016-2017 annual tuition costs. A non-refundable registration/materials fee is also due at the time of enrollment. Payment of the enrollment installment and the registration/materials fee may be made by check or money order. Additional tuition installments can be made by check, money order or online.

All families enrolling in the 5 year old program are required to sign an enrollment agreement form (included below), and this signed agreement form must accompany the enrollment form and required fees in order to secure a spot in the 5 year old program.

There are three options for paying the 2016-2017 annual tuition. You may pay in one installment (full year), two installments (per semester), or eight installments. The first tuition installment is due at the time of enrollment. For those families in the toddler and/or preschool classes, the remaining installments are due on the first day of September, October, November, December (you have from Dec. 1 through the first school day in Jan. to make the 5th tuition installment), February, March and April. *Payments received after the 6th calendar day of each month will be assessed a \$20.00 late fee.* For those choosing the eight installment plan, the amounts are shown below. For those choosing the one or two payment option, please check with our administrative assistant to confirm the amount to be paid.
